

Here are three monthly statistical reports for MICHAEL SIBANDA

1. June 2024 Booking Statistics Report

Total Bookings: 11

Total Rewards Earned: 4

Report Date: June 1, 2024

Summary:

June saw 11 bookings, generating 4 rewards. The booking activity was relatively high, indicating strong demand.

2. July 2024 Booking Statistics Report

Total Bookings: 7

Total Rewards Earned: 3

Report Date: July 1, 2024

Summary:

In July, the number of bookings decreased slightly to 7, with 3 rewards earned. While there's a noticeable drop compared to June, the rewards per booking remained consistent.

3. September 2024 Booking Statistics Report

Total Bookings: 3

Total Rewards Earned: 1

Report Date: September 1, 2024

Summary:

September had the lowest activity with only 3 bookings and 1 reward earned. This reduction might suggest lower demand or other factors affecting the bookings.

These reports provide insights into the monthly booking trends and rewards generated over the summer months of 2024.
